From

The Deputy Commissioner, Mysore District

Letter No. 5 Dated 8th Jan 1907.

In 1893 on the representation of the Muzrai Superintendent Mr. A. Seshiwasa Charlu the Government were pleased to sanction a special allowance of Rs 50/- per mensem to the Assistant Comr in charge of the Muzrai work in the Mysore District in consideration of the heavy Muzrai work devolving upon him in addition to his Revenue work Mr. Nanjundaraj the Muzrai Assistant Commissioner, was receiving the allowance till he was appointed as Vice Pres: Mr.

The Deputy (Mr A. Rangasamangar) Flag T
wrote a DO dated 6th August 1894 to the then
Muzrai Secretary enquiring whether the
Muzrai Charge of the District should be
continued to Mr Nanjundaraj Urs who was
willing to attend to the work without any
allowances without prejudice to his work
In reply he was informed semi officially
under the Dewan's orders that as Mr Nanjundaraj
Urs would have his hands quite full in
the municipality, the Muzrai work should
be entrusted to Mr Chengiah Chetty and
that the allowance paid to Mr Nanjundaraj
Urs should cease as it was intended to be
only personal and was granted as he had
no promotion for a long time

Now the Dy Comr reports that owing to no 5 D) 8th Jany 1907
the increase of work in the Muzrai Branch (Paper under disposal)
Mr T.K. Sundra Rajangar has been deputed to
supervise the routine work &c & recommends
that in consideration of the heavy work, the
special allowance of Rs 50/- sanctioned
in 1893 therefor, may be continued

The Dy Commr states that the Asst Commrs in charge of the Talukas in his District will inspect the Muzrai institutions but that it will not be possible for them to check the Muzrai accounts also in addition to their multifarious duties. The Muzrai work in the District being on the increase and heavy, the Dy Commr thinks that an occasion might arise when a full time Asst Commr would be required for the Muzrai Branch. As however, the Treasury Asst Commr has become available for the Head Quarter work exclusively, the Dy Commr [illegible]

of it by placing Mr. T. K. Sundararajeengar in charge of the Muzrai Branch & making him responsible for the Muzrai accounts, correspondence and periodical inspection of the accounts of the Charities &c which will go a great way to facilitate the efficient working of the Muzrai Department. The Dy Comm^r, recommends, in the above circumstances, that the allowance of Rs 50 may be paid to Mr. Sundararajeengar, the charge being met from the funds of the Sri Chennarajeswaraswami Temple.

Muzrai Secretary's remarks :—

The allowance of Rs 50 granted to the Muzrai Assistant Comm^r. Mysore district in 1893 appears to have been given to Mr Nanjundaiya alone on personal grounds. The allowance was stopped since August 1894 when Mr. Chennaiah Chetty became Assistant Comm^r in charge of the district Muzrai work.

It is true, as stated by the present Dy comm^r, that the Muzrai work of the Mysore district is very heavy, but the Muzrai work of each sub division is done by the Assistant Commissioner of the sub division concerned while the references to the Deputy Comm^r and the account work of the whole district are also attended to in the &c.,

Commissioner's Office Mr. T. K. Sundararaja Iyengar being the Deputy Commissioner's personal Assistant, has to attend to all the Muzrai work as well as other work falling upon the Dy Comm's Office. The question is whether the performance of Muzrai work which is as much Govt work as any other should be separately recompensed by an allowance from Muzrai funds.

Even supposing it is considered desirable to give some allowance to the Officer in question it is difficult to find funds from the Muzrai Department. No doubt the temple funds at Chamarajnagar and Kalasa leave some savings at the end of each year but they are already charged with several additional items of expenditure such as, a portion of

the Establishment in the Muzrai Secretariat and in the Comptroller's Office and in the Mysore Deputy Commissioner's Office. In fact any additional expenditure that has to be incurred for special reasons in the Muzrai department is generally thrown upon the funds of these temples.

There is no doubt however that the work of the Personal Assistant to the Dy comm^r in all branches including Muzrai must be very heavy in the Mysore District and the suitable remuneration of that Officer is a matter for the consideration of Government.

Dated Mysore July 1907

No 5

To

L. Anantasawmi Rao Esq: B.A.
Secretary to Government
Inungrai Department.

Sir,

I have the honor to state for the information of Government that under the scheme lately introduced in regard to the re-constitution of Sub Divisions, the Treasury Assistant-Commissioner who had the Revenue charge of the Mysore Taluk has been relieved of it with effect from the 1st instant and under Revenue Commissioner's order No. 7696-7703 dated 17/19.1-07 the Treasury Assistant Commissioner is ordered to be the personal assist-ant to the Deputy Commissioner to ensure speedy despatch of work. In pursuance of this order, Mr. T.K. Sundararajiengar, Treasury Assistant-Commissioner of this Dis-trict, has been deputed to supervise the routine work of the several departments including the Inungrai Branch of my office where the work has of late been on the increase and so heavy that in my opinion an occasion might arise when

a

a full time Assistant Commissioner would be required to supervise the work of this special branch.

2. From a Inspection point of view this District is the heaviest in the Province and frequent close inspections of the several Institutions as well as maintaining institutionwar accounts and rendering consolidated accounts to the Secretariat do require un divided attention at Head Quarters. The accounts lately introduced by the comptroller have yet to be brought into force here for want of adequate office Establishment and a suitable officer for Head Quarter work.

3. The Assistant Commissioners in charge of the Talukas are expected to do inspection work but from the multifarious duties they are entrusted with, I am afraid it is not possible for them to do the checking of the Inspection accounts in addition to the correspondence work. In several instances the Inspection accounts have to be compared with the Treasury accounts and this work cannot be expected

to

to be performed by the Divis
officers thoroughly. I am therefore
thinking of affording some
relief to my Divisional officers
in consideration of the heavy
Revenue and other works which
the present change has imposed
upon them.

4. The miscellaneous nature of work
connected with the Institutions in
this District which absorb more
than $\frac{2}{3}$ of the annual Inamai
grant for the Province having been
brought to the notice of Government,
they, in their Proceedings No. 1-3
dated Camp Mysore 16th October
1893, had sanctioned a special
allowance of Rs 50/- per mensem
to the Assistant Commissioner in
charge of the Inamai work at Head
Quarters of the District the charge
being ordered to be met from the
saving in the Inamai Budget.
But the circumstances under which
this special allowance was put
a stop to are not known and no
orders of Government directing
that this special allowance
should be withheld could be
traced

traced out in this office

5. As the Treasury Assistant Commissioner has become available exclusively for Head Quarter work, I intend taking the best advantage of this opportunity by placing Mr. T. K. Sundararajiengar in charge of the Inspection department and making him responsible for accounts connected with all the Inspection Institutions in this District. His services will further be utilized for exercising systematic check on the accounts maintained in the Chattrams and other Inspection Institutions by periodical inspections. This measure will not only put a stop to the several complaints and irregularities which are now being brought to my notice from time to time but will also save much unnecessary correspondence and facilitate the efficient working of the Inspection department. I would therefore recommend that Government may be pleased to sanction the special allowance above referred to Mr. T. K. Sundararajiengar, Treasury Assistant Commissioner of this District,

II

the charge being ordered
not from the general funds
funds notably from the funds
of the important and big Institutions such as the Sri Chamarajendra Swami temple &c.

I have the honor to be,
Sir,
your most obedient Servant

Read:-

*Govt Pro. Dec. Cocamp Camp' No. 1-3, dated 16th October 1893, sanctioning a special allowance of Rs 50/- per mensem to the Muzrai Assistant Commissioner of the Mysore District.

Letter No. 5, dated 8th July 1907, from the Deputy Commissioner, Mysore District, recommending that the allowance of Rs 50/- sanctioned in the above may also be granted to Mr. T. K Sundara rajeugen, Personal Assistant to the Deputy Commissioner, for attending to the Muzrai work of the Mysore District.

Order thereon:-

In the letter read above, the Deputy Commissioner --

No. 2128 D/30 10.57

reports that the Assistant Commissioners in charge of the Taluks are expected to do Muzrai inspection work, but that owing to the heavy and multifarious duties entrusted to them, it is not possible for them to do the checking of the muzrai accounts also. As however Mr. T. K. Sundararajaiyar, Treasury Assistant Commissioner of the Mysore District, has been, under the recent orders of the Revenue Commissioner in Mysore, appointed Personal Assistant to the Dy Commissioner, the Deputy Commissioner proposes that some relief may be afforded to the Assistant Commissioners in charge of the Taluks by placing Mr. Sundararajaiyar in charge of the Muzrai Deptt

~~of the District~~ and making him responsible for the accounts connected with all the Muzrai Inams in the District, and that, in consideration thereof, the latter may be granted the special allce of Rs.50/- per mensem, sanctioned in the Govt Pro: of the 16th October 1893, read above, from the funds of the Sri Chamarajeswaraswami temple at Chamarajnagar.

2 The Govt ~~however~~ observe that the allce of Rs.50/- sanctioned to the Muzrai Assistant Commissioner in the Pro. read above, was granted to Mr Ranjundaraja Urs, alone, while he was attending to the Muzrai work of the District in 1893, on personal grounds, and was stopped since August 1894

when Mr. M. Chengiah Chetty became Asstt Commissioner in charge of the District Munsif work, moreover, the Munsif work of each S. A. Division should be done by the Assistant Commissioner of the Sub Division concerned, while the references to the Deputy Commissioner and the account work of the whole District have to be attended to in the Deputy Commissioner's office. Mr Sundararajeengar, being the Deputy Commissioner's Personal Asstt, has to attend to all the Munsif work devolving on the Dy Commr's office. Under these circs, the Govt observe that no case has been made out for the special allce recommended to Mr T K. Sundararajeengar. The appropriation of the funds

of the Sri Chamarajeswaraswami temple for the granting of an allowance to the Muzrai officer for doing the Muzrai work of the whole District is not moreover justifiable.

Secretary

To

The Deputy Commissioner,
Mysore District.
